Dear Parents/ Carers

It is with great news I would like to inform you that Kanga Forest will be delivering a fun packed Forest school/outdoor learning after school club.

Kanga Forest club is a great chance for your child to be active and enjoy the summer sunshine! These sessions are designed to allow the children to explore the outside, gain important knowledge about our world and surroundings and learn new skills.

The club is lead by a level 3 Forest school practitioner. They are designed for all abilities, and we promote self-confidence, creativity and respect when working with others, in all our sessions.

Activities may include Den building, gardening, crafts, woodwork skills, bug hunting, natural play and more!

This class is able to run at a reduced cost as it has been partially funded via the national lottery. If you are interested in your child attending, please follow the directions below or follow the QR code direct to the booking page.

Many thanks,  
Kanga Forest
