Dear Parents/ Carers

It is with great news I would like to inform you that Kanga Sports will be delivering a **fun** packed **Kanga Olympics** after school club.

Our Olympics after school club is a good chance for your child to be active this half term! This is excellent for developing specific athletic skills such as running, kicking, catching, teamwork, balance and co-ordination.

All our clubs are tightly structured and well supervised. They are designed for **all abilities** and we promote self confidence, creativity and respect when working with others, in all our sessions. At the end of the block our coaches will present an award for the stand out player of the 7 week course.

If you are interested in your child attending please follow the directions below or follow the QR code direct to the booking page.

Many Thanks,
Kanga Sports
