Dear Parents/Carers

**Eid Celebration Day-Friday 21st June 2024**

We would like to invite all children to a celebration for Eid in school on Friday 21st June.

Children can come to school for the day in their special Eid clothes or party clothes and in the afternoon will take part in a range of activities finishing with a special assembly hosted by Year Six children.

If your child would like, they can bring a snack to school. This could be a 'snacking plate/box' with foods that they enjoy and can eat after lunch in class with their friends while wearing their special clothes. Please name your child's plate/box and make sure that it is securely wrapped for after lunchtime. Drinks can also be sent into school, but these must not be fizzy.

Please can we politely remind you that food is only for your child and will not be shared as we have children with food allergies. Please can we also respectfully ask that you only provide food that does not include nuts of any kind. As an allergy aware school, it is important that all our children can enjoy this celebration,

Thank you once again for your support.

Kind regards

Gail Kelley
