Geography

a.					b.					c.					d.			
	5	8	1			6	7	2			7	6	0		9	0	2	
+	2	3	8		-	3	3	9		-	3	2	5		+	3	7	8
e.					f.					g.					h.			
	6	0	9			3	2	6			4	8	7		5	6	9	
-	5	2	6		+	4	1	9		+	1	3	3		+	6	5	0

## Challenge:

		7	2
+	4		9
	0	2	
	8	7	
-		9	7
	5		3

Complete the calculations and choose one or more of the word problems to solve:

- 1** There are 167 pencils in class 1 and 392 pencils in class 2.  
How many pencils are there altogether?

167 pencils	392 pencils

- 2** Jay has 263 stickers. Lilah has 189 stickers.  
How many more stickers does Jay have than Lilah?

263 stickers	
189 stickers	

# Questions

**The Viking Times** AD 787

## We Have Arrived!

4 After an arduous journey  
 10 across the North Sea, we have  
 14 finally reached our destination  
 18 – England. The feeble, fearful  
 23 Englishmen tried to resist us  
 29 but we were too powerful and  
 35 fought our way, as brutally as  
 40 was necessary, onto the green  
 43 and lush land.

49 We are here to find treasures  
 54 (and probably steal them) before  
 60 we return to our homes in  
 64 Norway, Sweden and Denmark.

70 Our first raid was of the  
 73 monastery at Lindisfarne,  
 78 which was not very well  
 81 protected and contained  
 86 valuable goods like gold and

88 jewels, imported  
 91 foods and other  
 93 useful materials  
 95 for trade.  
 98 England is more  
 100 pleasant and  
 102 lucrative than  
 104 we thought!

1. Which word in the text means the same as 'stop'?

\_\_\_\_\_

2. Where did the Vikings come from?

\_\_\_\_\_

3. Find and copy **two** adjectives that are antonyms of each other.

- \_\_\_\_\_
- \_\_\_\_\_

4. How does the Viking's view of England change throughout the text?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

# Writing

Look carefully at the picture:

Write some sentences about what you can see.

## Map of Viking Homelands and Settlements

### Key

Find and label these countries on the map.

- England
- Scotland
- Wales
- Ireland
- Denmark
- Sweden
- Norway
