

Thursday 9th January

Year 5 Home Learning

Mrs Whitworth, Mrs Goddard and Miss O'Malley

Year 5

Maths

Consolidate your formal method for addition.

		7	4	3	5
		+	2	4	5
		<hr/>			
		<hr/>			

		7	4	3	5
		+	2	4	6
		<hr/>			
		<hr/>			

		7	4	3	5
		+	2	5	6
		<hr/>			
		<hr/>			

		7	4	3	5
		+	3	5	6
		<hr/>			
		<hr/>			

a) £36,000 + £19,420

c) 843 cm + 15,611 cm

b) 40,720 g + 6,872 g

d) £17,320 + £6,009 + £34,871

Challenges:

Work out the missing numbers.

			4	3	
		+	2	5	2
		<hr/>			
		7	8	5	2
		<hr/>			

What mistake has been made?

$$1,562 + 301 = 4,572$$

English Writing

Look carefully at the images of Antarctica.

Think carefully about what you can see. Make a list of nouns and adjectives you could use to describe the picture – think about what you would see, hear and feel.

Use a thesaurus to uplevel your vocabulary.

Can you think of any noun phrases (2 adjective to describe the noun *deep indigo ocean*) you could use?

Once you have gathered your ideas keep them safe as you will need them to write a setting description tomorrow.

The Alien Times

UFO Sighting

3 Recent bright lights
5 and high-pitched
8 whistles have baffled
12 dog walkers in the
15 woodlands of Suffolk.
18 The disturbance has
22 occurred in the same
27 area as the UK's largest
31 ever UFO sighting, in
32 1980.

35 One astonished walker
40 said, "I walk in these
43 woods regularly and,
47 although I'm aware of
51 the unusual history of
55 the place, I've never
57 experienced anything
60 like this before."

64 It seems that someone,
67 or something, might
71 be trying to contact

75 us again, but nobody
80 can fathom why this is
83 happening nearly 40
87 years since the first
90 incident. The 'flying
94 saucer' was in almost
98 the exact same position
103 as the UFO that was
106 spotted in December,
107 1980.

110 Some residents are
113 nervous but many
117 others are excited about
121 the prospect of contact
123 with extraterrestrials!

Questions

1. Which word means the same as 'understand'?

2. When and where was the UK's largest UFO sighting?

3. Find and copy a phrase that implies the area is known for being 'special' or 'different'.

4. Why do you think some walkers are nervous?

Sir Ernest Shackleton

Date of birth:

Date of death:

Place of birth:

Early Life

British National Antarctic (Discovery) Expedition

British Antarctic (Nimrod) Expedition

The Endurance

The Shackleton-Rowett Antarctic Expedition
